

**DAAD IN-COUNTRY/IN-REGION SCHOLARSHIPS FOR MASTER AND PHD  
DEGREE STUDIES AT MUHIMBILI UNIVERSITY OF HEALTH AND ALLIED  
SCIENCES FOR ACADEMIC YEAR 2017/2018**

The German Academic Exchange Programme (DAAD) has offered to support postgraduate students pursuing Master and PhD degree studies in the School of Pharmacy and the Institute of Traditional Medicine, here at Muhimbili University of Health and Allied Sciences (MUHAS) for academic year 2017/2018.

Applications are therefore invited from suitably qualified applicants, from academic and non-academic institutions, within or outside the country (but within Sub-Saharan Africa) for the DAAD In-country/In-region scholarships for Master and PhD degree studies on the fields indicated below:

**A. School of Pharmacy**

**1. Master of Pharmacy (MPharm) in**

- a. Hospital and Clinical Pharmacy
- b. Pharmaceutical Microbiology

**Eligibility:**

Applicants should have BPharm degrees from recognized Universities with minimum cumulative GPA of 2.7

**2. Doctor of Philosophy (PhD) in fields related to**

- a. Hospital and Clinical Pharmacy
- b. Clinical Pharmacology and Therapeutics
- c. Pharmaceutical Microbiology

**Eligibility:**

Academic staff must be holders of Master degrees in the relevant fields from recognized Universities, with minimum cumulative GPA of 4.0 at Master degree level. Applications are also welcome for individuals with Master degrees in the specified areas who aspire to become academic members of staff at universities.

**B. Institute of Traditional Medicine:**

**1. Master of Science in Traditional Medicines Development (MSc Trad Meds Development)**

**Eligibility:**

Graduates from recognized Universities with minimum cumulative GPA of 2.7 at undergraduate level who are holders of BPharm or its equivalent; BSc degrees with Chemistry, Zoology, Botany or Microbiology as one of the major subjects or a degree in Biotechnology, Forestry, Environmental sciences or Chemical engineering.

## 2. Doctor of Philosophy (PhD) in fields related to

- a. Traditional Medicines development
- b. Phytomedicine.

### **Eligibility:**

Academic staff who are holders of Master degrees in the relevant fields from recognized Universities, with minimum cumulative GPA of 4.0 at Master degree level. Applications are also invited from potential candidates for academic positions, provided they are holders of Master degrees in the stated fields of specialization.

Each applicant in all the above-mentioned programmes must satisfy all the general requirements set out under the regulations for a Master or PhD degree of the Muhimbili University of Health and Allied Sciences as indicated in the University Postgraduate Prospectus.

### **TAKE NOTE OF THE FOLLOWING:**

- ***PhD proposals' relevance to development:*** PhD applicants must submit research proposals as full proposals which demonstrate relevance to development and originality of the research work being proposed. **Plagiarism in submitted proposals will not be tolerated and will disqualify an applicant from the scholarship.** The Proposals, together with detailed study plan, must be submitted in “*word document*” format.
- ***Duration and commencement:*** Scholarships are available for up to a maximum of two years (Master) and three years (PhD), respectively. The scholarship will be initially granted for one year and may be extended upon individual request and receipt of a satisfactory progress report and complete application by using the provided form.
- ***Equal opportunities:*** Female candidates and candidates from less privileged regions or groups as well as candidates with disabilities are strongly encouraged to apply. Similarly, candidates who are not Tanzanians are also strongly encouraged to apply.

### **The applicant must provide:**

1. A duly completed Postgraduate Application Form MUHAS/PG.F1 (for Master degree applicants) or MUHAS/PG.F9 (for PhD applicants), both available at <http://www.muhas.ac.tz/>
2. An up-to-date detailed curriculum vitae.
3. His/her ordinary level secondary education, advanced level secondary education and undergraduate certificates and academic transcripts. Applicants for PhD degree must also Master degree certificates and academic transcripts.
4. Internship certificate where relevant.
5. Birth certificate.
6. Full research proposal and study plan for PhD applicants.
7. Two names of referees who must be academicians/professionals and must provide written recommendation (MUHAS/PG.F2).
8. A letter from the employer showing readiness to release the employee (applicant) for studies.
9. A receipt for a non-refundable application fee of TShs 50,000/= for local students and US\$ 50 for foreign students paid to the University (Bank accounts for local and foreign students are indicated on MUHAS.PG.F1).

Hard copies of completed forms must be sent to MUHAS through the **Director for Postgraduate Studies, Muhimbili University of Health and Allied Sciences, P.O. Box 65001, DAR ES SALAAM, TANZANIA**. In addition, a complete soft copy must be sent to [dpgs@muhas.ac.tz](mailto:dpgs@muhas.ac.tz).

Copies of completed applications should also be sent to the Deputy Vice Chancellor – Academics, Research and Consultancy and the Dean/Director of the respective School/Institute at MUHAS.

**CLOSING DATE: Tuesday 31<sup>st</sup> January, 2017 at closing of working hours**

**Note:** Should-listed candidates will be notified to register into the DAAD portal where they shall be able to download, fill and upload the DAAD Scholarship application form and other documents required.
