ALL POSTGRADUATE STUDENTS

RE: EXTERNAL ROTATIONS AT HOSPITALS AND OTHER FACILITIES

Refer to the heading above.

2. The University has signed Memorandums of Understanding (MOUs) with Mwanjamala, Temeke, Amana Regional Referral Hospitals (RRHs), CCBRT Hospital and other healthcare facilities to serve as sites for practical attachments for MUHAS students.
3. These attachments sites add to the existing list of facilities available for practical learning (MNH, JKCI, MOI, ORCI and others) and are central to the competence-based education emphasized at MUHAS.
4. To facilitate the learning processes at these attachment sites, the University Management is reminding all Postgraduate Students to observe the following:-
 - (a) Ensure that you update your registration to respective Professional Councils (MCT, TNMC and others).
 - (b) Be always present at the assigned attachment site(s) and fulfil your duties, such as taking calls, as expected.
 - (c) Exercise good professional conduct at your attachment site(s).
5. Attending to these requirements will streamline cooperation with the host institutions and facilitate your acquisition of the needed competences.
6. Sincerely,

Prof. Emmanuel Balandya
