

CAPACITY-BUILDING WORKSHOP

Enhancing Academic Integrity & Research Quality through **Turnitin**

 DATES

19th – 28th May 2026

 TIME

14:00 – 17:00 Hrs.

 VENUE

Library Computer Lab, MUHAS

WORKSHOP OBJECTIVE

To build the capacity of MUHAS academic staff and postgraduate students to effectively use Turnitin in promoting academic integrity, detecting and preventing plagiarism, and enhancing the quality of academic and research writing.

KEY LEARNING OUTCOMES

By the end of this workshop, you will:

- ✓ Understand principles of academic integrity and plagiarism prevention
- ✓ Create, manage, and effectively use Turnitin accounts
- ✓ Interpret Turnitin similarity reports and make informed judgments
- ✓ Apply practical strategies to improve academic writing and citations
- ✓ Integrate Turnitin into coursework, thesis supervision and QA processes

WHY YOU SHOULD ATTEND

This workshop is designed to help you:

- ▶ Strengthen compliance with MUHAS integrity standards
- ▶ Improve supervision of theses and dissertations
- ▶ Enhance publication quality and reduce plagiarism risks
- ▶ Gain hands-on experience with Turnitin tools and reports
- ▶ Receive a certificate of participation upon completion

TARGET PARTICIPANTS

MUHAS Academic Staff, Researchers & Postgraduate Students
