

SHORT COURSE ANNOUNCEMENT

GOOD CLINICAL PRACTICE

The aim of the course:

To provide participants with comprehensive guidance on conducting clinical research ethically and scientifically, ensuring the protection of participants' rights, safety and confidentiality while maintaining the integrity and credibility of clinical trial data

Eligibility Criteria:

Applicants should possess foundational knowledge of clinical research and ethics, with prior involvement in studies involving human participants or looking to participate

Mode of delivery:

In person training including: lectures, group works, discussions, and case discussions.

Fees:

Tsh 500,000 for non-MUHAS participants.
Partial scholarships will be provided to MUHAS research staff, MNH staff, NIMR staff, TMDA staff and group applications. Payment is via control number issued after acceptance notification.
