

APPLICATIONS FOR MUHAS SHORT COURSES

Official digital application channel

MUHIMBILI UNIVERSITY OF HEALTH AND ALLIED SCIENCES
Training for a Healthier Tanzania

Dear Colleagues, Short Course Directors and Coordinators,

All applications for MUHAS short courses should now be submitted through the **official REDCap system**.

Following institutional guidance, the use of Google Forms for this purpose is **no longer permitted**.

Please share this link with all prospective applicants for your courses.

The DCEPD Short Course Coordinator will support by providing the consolidated list of applicants and assisting with the selection process.

Applicants can also apply directly from our pilot catalogue.

Applicants will be notified by email via the REDCap system following successful application.

Why applicants should use this form

Official MUHAS application route

Search and select the correct short course

Submit required details, payment reference, and supporting documents

State special needs and communication preferences

Receive follow-up and selection communication by email

Apply in 3 steps

Browse or search your short course

Complete the REDCap application form

Receive follow-up from MUHAS

Why this digital form matters

The official MUHAS REDCap application form captures all the key information needed for course selection, communication, payment processing and certification.

MUHAS - Short Course Application

Please complete the survey below to register for a short course.

Thank you!

Thank you for applying for a MUHAS short course. Please complete this form accurately. The information you provide will be used for course selection, communication, payment processing, and certification where applicable.

Submit

Current application footprint

Applications are already being tracked digitally across Tanzania, including Zanzibar.

Mainland Tanzania

Zanzibar (separate scale)

Official application link (REDCap)

<https://utafiti.muhas.ac.tz/surveys/?s=RCJLANHXKMKXC7W>

Use this for the actual application.

Pilot short-course catalogue

<https://muhas-dcepd.github.io/dcepd-courses/#catalogue>

Use this to discover available short courses.

The pilot catalogue supports course discovery, while REDCap remains the official application route.

Managed through the MUHAS DCEPD digital short-course system.

For course discovery and dissemination, share both the catalogue and the official application link.
